Coming Opportunities

Praise the Lord, November is full of opportunities to serve Him and spread His Word.

This past Sunday, November 1, Jim preached at Countryside Baptist Church in Gainesville, FL. God certainly orchestrated that, since Saturday morning we were simply planning to attend that church. The pastor came down with laryngitis, and God had arranged for Jim to be available to fill the pulpit. The response of the people was enthusiastic, and we were grateful for the opportunity.

November 8, Jim preached at First Baptist Port St. John, FL both morning and evening. He will also be with the people there on Wednesday the 11th, Veterans Day.

Saturday, November 14, Jim is the keynote speaker at the Refreshed Confer-

ence at Central Baptist Church, Melbourne FL.

Sunday morning, November 15, Jim will be preaching at Northwest Baptist Church in Cocoa, Florida.

Friday, November 20 and 21, Jim will be leading a Men's Golf Retreat in Orlando for a group of guys from First Baptist Church, Merritt Island, FL.

Sunday morning, November 22, as well as Sunday, November 29, morning and evening, Jim will be preaching at Island Community Church in Merritt Island, FL.

We will be enjoying some family time this Thanksgiving, with both sides of the family. We truly are thankful for all the ways that the Lord has blessed us. We are especially thankful for Christian family members.

The month of December is

fairly busy, also. Jim will be attending the Pre-Trib Prophecy Conference in Dallas, Texas December 6-9 with his friend Tony Kessinger.

On the 19th of December, Jim, Becky and Nicole will travel with a group from First Baptist Merritt Island to EPCOT to take part in the Candlelight Processional. This is a celebration of Christmas comprised of scripture and traditional carols that is the most attended and longest-standing holiday event at Disney.

The 20th Jim will be preaching at Church for the Beach in Indian Harbour Beach, FL.

Thank you for praying that God would fill Jim's schedule. This is the busiest Nov/Dec that Jim has had in the four years of being in this ministry.

Family Corner

The kids have done very well in their schooling this year. Nicole and Elise will conclude their first semester's work in their online classes before Thanksgiving, and all three are on-track for straight A's.

Nicole is taking 2 courses at the local community college, and is excelling. Elise is a bit jealous, because even though Nicole is "in college", she tends to

have less time-consuming work. I tease Elise and say her mother is a tougher teacher than college professors!

AJ is doing quite well with his schooling, too. He played fall Little League baseball this semester and will play basketball with the Brevard HEAT soon.

Last week AJ turned 11. We had a fun day of celebration with him. I realized that we are truly out of the "child" phase and fully in the preteen/teen phase. We thank God for all our kids and their love for Jesus.
